Dear Mr Shortt

**RE: CITROEN DS20 – 0569030803**

The Citroen Car Club of South Africa has been in existence since 1978 and has expert knowledge of all Citroen models that have been available in South Africa since the cars were imported in the early 1920's. We do carry out inspections & valuations for members and have pleasure in confirming the following information on this Citroen DS20 from available records:

Vehicle Identification Number: 0569030803

Engine No: 0569030803

Build Date: 1969-11-07

Original Colour -Black

First Registration in Johannesburg – 1970-01-01

NB: As with all cars from this period, the Chassis and Engine numbers are always the same

We hope this information will help with the registration in the UK and should you require any further information kindly contact us.

Yours sincerely.

Joyce Le Roux.  
Secretary.  
Citroen Car Club of South Africa.
