This certificate tells you whether this vehicle has been given the 'all clear' by hpi after a comprehensive search on the following registers:

VIN Match Compares the Vehicle Registration Mark (VRM) against the Vehicle Identification Number (VIN), where your dealer has provided both, to try to detect a 'ringer' or 'clone', i.e. a stolen vehicle with a false identity.	Condition Inspected hpi has a unique register of former damaged 'write-offs' which have passed an inspection against a Thatcham approved standard to confirm the integrity of the repairs.	Speak to a member of our team about running your own hpi check. Call us on: 0845 300 8905 (Mon - Fri 8am to 6pm; Sat 8am to 5pm; Sun 10am to 5pm)
Vehicle Identity Does the vehicle match the description recorded by the DVLA? Details of all road registered vehicles are recorded at hpi and the hpi check reflects information recorded on the vehicle's official V5 document.	Stolen Vehicles Any vehicle currently recorded by the police as stolen is highlighted in the search.	hpi checks are not transferable. The results shown above, for the VRM or VIN provided, were believed to be correct on the date and time they were supplied to the hpi subscriber whose name appears above. These details are very likely to change over time. To conduct your own hpi check, with a £30,000 guarantee (subject to terms and conditions), visit www.hpicheck.com or call 0845 300 8905 .
First Registration hpi confirms the vehicle's first date of registration in the UK to help establish the true value of the vehicle.	Security Watch Some vehicles such as hire cars, are at special risk from fraud or theft. This register checks for vehicles that are flagged as 'at risk' and being offered for sale without the owner's consent.	cap hpi, Capitol House, Bond Court, Leeds, Ls1 5Ez 0845 300 8905 www.cap-hpi.com
Outstanding Finance Over half of new cars are bought using finance agreements, making them the property of the finance company until the debt is cleared. hpi has over 7.5 million records on this register, against which this vehicle has been searched to highlight any outstanding debt.	Plate Transfer Plate transfers are perfectly legal, but can be used to cover a dubious past. A hpi check will automatically pinpoint all plate transfers since April 1990 and make sure that none of the prior identities have anything to hide.	
Condition Alert Has a car been 'written-off' by an insurance company following damage or theft? hpi registers 40,000 write-offs every month. Each hpi check searches over 14 million records to make sure the vehicle is not a total loss or now belongs to an insurer.	Mileage The National Mileage Register (NMR), with over 200 million readings, can help reveal discrepancies in a vehicle's mileage history.
